

PRB

Portfolio Review Board (PRB)

The PRB is a group of members from the UW-IT Senior Leadership Team and other leaders who prioritize and champion the portfolio of UW-IT new or changing services using the project management practice. This is done by allocating resources, reducing risk resulting from change and being good stewards of UW funds through collaborative decision-making.

Schedule: PRB meets on the First and Third Thursday of every month unless otherwise adjusted to avoid holiday weeks and other exceptions.

Meeting Agendas and Past Meeting Notes: [PRB folder](#) in Google Drive.

Important Dates:

- Projects in Exception Status (yellow or red) must have status reports submitted by the Friday preceding the PRB Meeting.
- Review or Approval agenda items must be submitted by the Friday preceding the PRB Meeting.
