

Strategy into Action

About the Strategy Practice

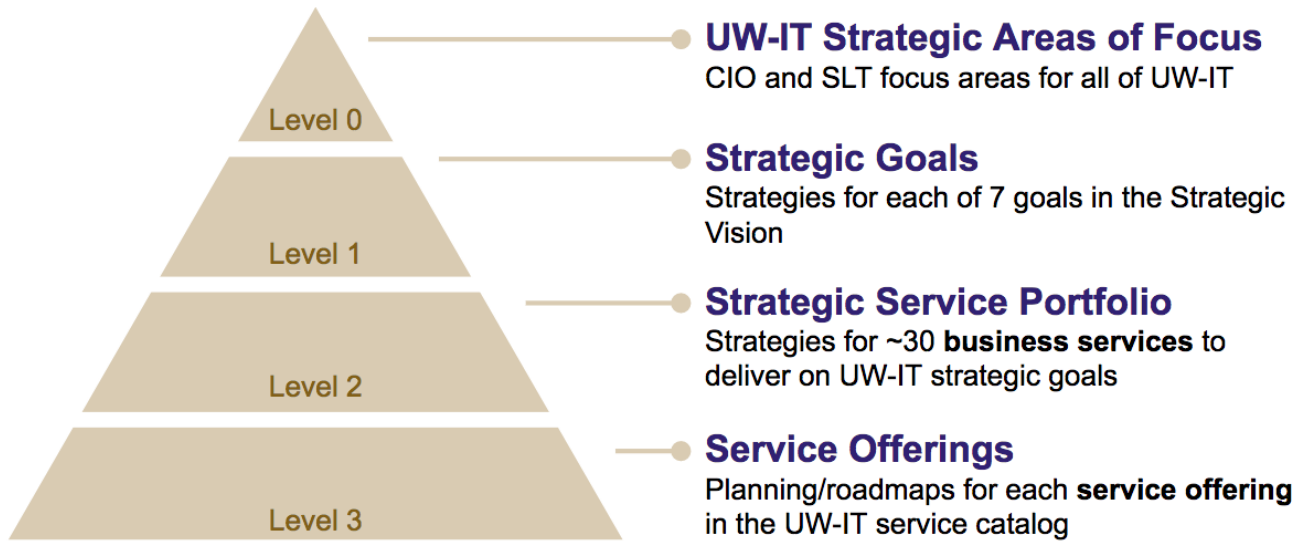

UW-IT's current strategy practice was established in 2016-2018 with the goals of creating a **living strategy** that cascades through the organization, is linked to **business outcomes**, and **enables communication** across groups.

Levels of Strategy

The UW-IT strategy practice encourages living strategy documents at multiple levels:

Strategies

See the [Strategies](#) page for links to all levels of strategy.

How to Contribute

See the [How to Contribute](#) page for steps to contribute to strategy at each level.
