

UW Blogs Network Administration

Administering Your Blog

We're currently in the process of writing documentation outlining commonly-asked questions and UW-specific tasks. A current list of pages is below:

- [Activating Plugins](#)
- [Activating your Blog](#)
- [Adding Administrators, Editors, or Users to your Blog](#)
- [Add or Remove your Blog from the Blog List and Recent Posts](#)
- [Changing the Name or Tagline of your Blog](#)
- [Comment Management](#)
- [Custom URLs for your blog](#)
- [Getting Started with your Blog](#)
- [Importing From Another Site](#)
- [Logging into your Dashboard](#)
- [Tracking Visitors](#)
- [Using the Redirect Theme](#)

Answers to Common Questions of UW Blogs Network Blog Owners
